Class Description

Vinyasa- focuses on connecting the breath to your movements, which tend to be set at a faster pace involving more dynamic movements, less static holds than a hatha class. Develops proprioceptive awareness and balance.

Yoga Sculpt- A full body workout that fuses the fundamentals of yoga and aerobic weight training. This high energy class works all major muscle groups

Spin®- Increase your cardiovascular fitness with high intensity intervals, endurance, strength, and recovery periods.

Strength- focuses on functional movements to help increase strength, muscles and joints.

Mat Pilates - Focus on practicing the foundational classical Pilates movements including posture awareness, core strengthening, flexibility and breath.

Body Sculpt- Low intensity weight training that focuses on full body exercises and great for all fitness levels!

Boxing & Body Sculpt- Experience the perfect blend of boxing and body sculpt in this dynamic hybrid class!

Cardio Boxing- Cardio & strength class that incorporates boxing and develops stamina, speed, coordination and body control. It is recommended to bring your own gloves.

HIIT- High-intensity interval training that involves alternating periods of intense exercise with short rest, designed to maximize calorie burn and cardiovascular fitness

Zumba- High energy class for a fun and effective workout that combines dance and fitness!

*Classes end 5-10 min early to allow time to clean and sanitize the studio and equipment.
